Erie County Conservation League

.22LR Sporter and Bench Match

The weather today was truly nice for shooting. Cloudy, cool (mid-60s), and very little wind until mid-day. Turnout was good; we had 14 sporter matches fired and the same number of bench matches fired for a total of 28 matches fired. The scores were very impressive across the board.

Special thanks to all the match directors (Al, Jim, Jerry... and Matt). Thanks again Matt for calling the first relay. Also thanks to all that helped setup, tear down and score targets. Hopefully Ben will learn to use an RPN calculator before the next match so he can use mine to add up scores.

Congratulations to Ian Foos for top scores once again. We've decided to handicap his future scores to give the rest of us a chance... we're going to subtract 20 points for every time he pushes the wrong button and drops his magazine at the start of live fire. (Yes Ian, we saw that!)

Congratulations to Gary Ponikvar and Al Norman for top marks from the bench. There were some really impressive shots considering the odd swirl of wind we had at the time.

Also special congratulations to our *very* new shooters William and Sarah, very well done! Having most shots in the black first time out is an excellent job.

I hope everyone had a good time. Hope to see you all next month!!! Thanks much! - Jeff
