

# 300 YARD RESULTS

June 19, 2010

The third match of the 2010 season was well attended. Twenty-eight (28) individuals shot a total of thirty-three (33) matches. The weather was warm and pleasant with gusty winds and plenty of mirage to make the crosshairs dance around on the targets.

Thanks to all who pitched in with range setup and match operation. Without your help, these matches wouldn't be so successful!

After reviewing the scores, you will note that we have some new leaders on the score board. Congratulations guys for posting great scores in spite of the challenging conditions! We also wish to extend our welcome to the new shooters and hope you come back for more next month.

If any of you shooters who are sitting on the sidelines has a desire to test your marksmanship skills, please join us at the July 17th match. You will find the crowd to be friendly and helpful. Be sure to review the rules and suggestions outlined on our website or e-mail me or Bernie with questions.

Regards:

Nick Takacs/Bernie Bong
