

300 YARD RESULTS

July 17, 2010

The fourth match of the 2010 season was well attended. Twenty-nine (29) individuals shot a total of forty (40) matches. The weather was hot and humid with gusty winds and plenty of mirage to make the crosshairs dance around on the targets.

Thanks to all who pitched in with range setup and match operation. Without your help, these matches wouldn't be so successful!

After reviewing the scores, you will note that the elusive 200 was not on the score board but we had some shooters post some very impressive scores. Congratulations guys for posting great scores in spite of the challenging conditions! We also wish to extend our welcome to the new shooters and hope you come back for more next month.

If any of you shooters who are sitting on the sidelines has a desire to test your marksmanship skills, please join us at the August 21st match. You will find the crowd to be friendly and helpful. Be sure to review the rules and suggestions outlined on our website or e-mail me or Bernie with questions.

Regards:

Nick Takacs/Bernie Bong
