

300 YARD RESULTS

August 21, 2010

The fifth match of the 2010 season was well attended. Twenty-eight (28) individuals shot a total of thirty-two (32) matches. The weather was absolutely fabulous with little or no wind and almost no mirage to hamper visibility due to the overcast skies. The conditions were perfect as evidenced by the high scores. A great time was had by all both at the range and afterwards at the restaurant.

Thanks to all who pitched in with range setup and match operation. We really appreciate your help! Without your dedication, these matches wouldn't be so successful!

After reviewing the scores, you will note that the elusive 200 was on the score board in triplicate and we also had shooters post some very impressive scores. Congratulations to all of the participants! We also want to congratulate Nick Takacs and Bernie Bong on their 200 scores and a special congratulations to Mat Glovinsky on his first 200 score. Note that Mat shot this with a bi-pod (F-class) on the ground and is also the first shooter to score a perfect 200 in this class. We also had another first for the 300 yard event where the Ponikvar family came out and shot the event with us. Thank you for your participation and hopefully we will see more families come out and shoot with us. We also wish to extend a warm welcome to all the new shooters and hope you return next month.

This report wouldn't be complete without acknowledging our "most experienced senior shooter" Ralph Engbring who has been steadily ascending his position in the "production rifle" class. John Wilson, the current points leader, better stop his sand-bagging ways and "go over the top" before Ralph leaves him in the dust. John, being retired, can't afford modern equipment and is forced to compete with his skinny old telescopic sighted rifle.

Ed Andy has steadily Improved in the standings and is poised for another great performance in the military bench rest class. Go get-em Andy!

Matt Wiczorek, the junior shooter team coach, participated in the service rifle class and posted a 193 for a fist place finish. Good job Coach!

If any of you are sitting on the sidelines and have a desire to test your marksmanship skills, come out and join us at the September 12th match. You will find the crowd to be friendly and helpful. Be sure to review the rules and suggestions outlined on our website or e-mail me or Bernie with questions.

Regards:

Nick Takacs/Bernie Bong

CLASS 1A PRODUCTION RIFLE, F CLASS, ANY SIGHT
