

300 YARD RESULTS

October 15, 2011

The last match of the 2011 season was well attended considering we had hurricane type winds. Well maybe I exaggerated a wee bit but it was windy. Fifteen (15) individuals shot a total of twenty-three (23) matches. The scores shot were very good considering the weather conditions and a well done to all!

Bernie took care of running the match as I had other commitments. Thanks Bernie!

As usual, the early birds were poised to pitch in with range preparation duties prior to the start of firing. You guys make this event fun and enjoyable. We give you all a tip of the hat for rolling up your sleeves and pitching in with range chores.

CONGRATULATIONS to everyone who competed today and this year and we do look forward to your return next Spring. Have a safe and great Winter!

Regards:

Nick Takacs
