

HIGH POWER SHOOT May 29, 2010

The day was a great day for shooting. No wind, no rain, just warm sunny weather. What did we do wrong as this is not the usual weather for a High Power match in May but we will accept it.

I would like to express my "Thanks" to the Jerry Bare and Ken Bostater who helped set-up the targets. Jerry, you just have to learn what my truck looks like when you are getting the targets. Also "Thanks" to the people that plugged and scored the targets, and helped tear down after the shoot. This is a lot of work and is greatly appreciated.

We had a couple of last year's shooters reappear on the shooting range. Welcome back guys and we look forward to seeing them become regulars. We look forward to seeing you all at the next match.

Bernie Bong
