

HIGH POWER SHOOT June 26, 2010

The day was a great day for shooting. No wind, no rain, just hot and muggy sunny weather. As the day progressed the day went from hot and muggy to cool and sprinkles to hot and muggy.

I would like to express my "Thanks" to the Tom Bruley and Mike Zeno who helped set-up the targets. Also "Thanks" to the people that plugged and scored the targets, and helped tear down after the shoot. This is a lot of work and is greatly appreciated.

We had a one of last year's shooters (Mike Zeno) reappear on the shooting range and two (2) new shooters (Jeff Young and Dana Parker). Welcome back Mike and Welcome Dana and Jeff. We look forward to seeing them become regulars. We look forward to seeing you all at the next match.
