

# HIGH POWER SHOOT August 8, 2010

It was a great day for shooting as it was not too bad for temperature. It stayed that way pretty much the whole morning with the temp starting to climb towards 11:30 AM but was still a great day to shoot

I would like to express my "Thanks" to the people who helped set-up the targets. Also "Thanks" to the people that plugged and scored the targets, and helped tear down after the shoot. This is a lot of work and is greatly appreciated. Thanks to Ralph Engbring for running the 3<sup>rd</sup> relay so I could shoot.

We had three (3) new shooters Jason Bailey, Rob Sherer, and Michelel. Welcome and hope to see you back.

We had a lot of shooters absent due to the Camp Perry matches. We hope to see them back at the next match.

We look forward to seeing you all at the next match.
