## Erie County Conservation League

### .22LR Sporter and Bench Match

It turned out to be a very warm and windy day. It was slightly over 80F when we left the range at 2:30pm; a welcome change for those of us who have been practicing in the snow for the last few months. But the wind was a real challenge for all. Many thanks to all that helped setup, tear down and score targets (Colin, Brian, Jerry, Al, Jim and others for scoring; Ian and *many others* for setup and teardown). Special thanks to Matt for bringing the junior team and running the first two relays. It's not so easy to run these relays properly so we were very grateful Matt was willing to help.

Please check the club web site before the next match, the times will likely change and the date may change as well. We hope to see you all next month!!! Thanks, Jeff
