Erie County Conservation League

.22LR Sporter and Bench Match

Either the weather or Perry fatigue kept most away from this weekend's match. We had a good time nonetheless.

Thanks to all that helped setup and tear down.

A few weeks ago we lost our good friend Jerry Bare. Jerry died of a sudden unexpected heart attack at home on the morning of July 16th while gathering his gear for another match. He passed while doing one of the things he loved. His friendship and humor will be greatly missed.
