## Erie County Conservation League

### .22LR Sporter and Bench Match

Hot today... up over 90° F by the end. It seemed that the second sporter relay suffered the most. Nonetheless many good scores were turned in.

Many thanks to all the folks that helped setup/run/tear-down.

Well done Coach!! Top marks in the sporter today! Looks like the prep for Perry is paying off. If I don't see you on the line for the President's match on August 1<sup>st</sup> I'll see you in the pits later that week for sure.

My apologies to Jim for the confusion regarding the rules... I'll get it all worked out eventually. ☺ Also apologies to those that had to listen to my high-pitched shaky voice in the second relay... had a long day on the range yesterday, a bit tired and dehydrate today.... (at least that's my story).

Kudos to Al Norman for top marks from the bench with a \$65 iron sight rifle. Really? Yes.

Gary snuck in a 17HMR and did very well with it. Gotta put him in his own class. Ken gets top marks for the scope class (22LR). Going forward other rimfire rifles are welcome in the bench match; we'll classify accordingly.

I hope everyone had a good time. Please come back next month... next match will be on Sunday August 14<sup>th</sup>. Many thanks! -jeff
