

Stein Shoot April 30, 2011

The Stein Hospice shoot was a great day with a bit of wind and a bit of sun. The wind was almost non-existent until the shooters were called to the line and than it just seemed to flair its ugly little gust just to upset the shooters or cause some type of flyer.

We had eighteen (18) shooters shoot twenty-two (22) events. We had seven (7) junior shooters and fifteen (15) adult shooters and we had nine (9) people donate money. We must also Thank the ladies for the food and friendly personalities during the meal.

Thank you to all who came out and hopefully had a good time and helped this great cause!

Nick Takacs

SCORES FOR THE DAY
